NATHANIEL ATKINS

WEB DEVELOPER

MY OBJECTIVE

My goal is to become an established developer, as it is a career path which lies inline with my interests in technology. I wish to start my career with ambition. I'm a dedicated problem solver and worker who will seek solutions until a project is complete.

EXPERIENCE

WEB DEVELOPER
SEPTEMBER 2020 – PRESENT

I'm working independently, gaining experience with customers, working within their guidelines, and adjusting based on their feedback. Utilizing my tools as a developer to create a polished product to the customer's specifications.

FRY'S ELECTRONICS
MARCH 2018 – MARCH 2020

Managed the Computers and Components departments. Worked in the Audio Video department. Store and department manager and salesperson.
